Services to Aging & Disability

Together Nevada CAN support your independence!

Nevada Care Connection Resource Centers work with older adults, people with disabilities, and family caregivers to explore a variety of services, resources and programs available to them. Our goal is to help individuals make informed decisions and connect as easily and effectively as possible.

Request Help

The Nevada 2-1-1 system is designed to help all Nevadans access health and human services. Do you know what you need?

Food »

Transportation »
Rental Assistance »

Other services?

The Nevada Care Connection Resource Center staff helps older adults, people with disabilities, and caregivers to explore their options to meet their individual needs.
