

Cancer Information

Nevada 2-1-1 programs that provide resources and supportive services for individuals living with cancer. These resources include cancer screening, genetic testing, clinics, beauty consultation, and temporary housing for cancer patients and their families.

Keyword Search Instructions: To start a **new search**, first **delete** all text and numbers in the keyword search box below and then enter new keyword(s). You can also click **“More Search Filters”** for additional keyword search options.

Please note that this will clear the current search and begin a new, unrelated search.

How to Search Using the Map: To narrow the **current** search to a specific zip code, county, city or service days, use the search filters **located below the map**. Please click the **“Apply Filters”** button below the map to update your search results.

You can also return to the [Nevada 2-1-1 homepage](#) to find more search options.
