

Housing Expense Assistance

Nevada 2-1-1 programs that make payments for people who are at risk of eviction.

Housing assistance programs may have age, income, disability, need or other eligibility requirements.

Keyword Search Instructions: To start a new search, first **delete** all text and numbers in the keyword search box below and then enter new keyword(s). You can also click **“More Search Filters”** for additional keyword search options.

Please note that this will clear the current search and begin a new, unrelated search.

How to Search Using the Map: To narrow the **current** search to a specific zip code, county, city or service days, use the search filters **located below the map**. Please click the **“Apply Filters”** button below the map to update your search results.

You can also return to the [Nevada 2-1-1 homepage](#) to find more search options.
