

Sexual Assault Hotlines

Nevada 2-1-1 programs that provide assistance for people who have experienced sexual assault. These programs provide steps to ensure the person's safety, information regarding the person's rights and alternatives, and referrals to resources for medical, legal and emotional needs. Hotline staff are generally available via telephone, email, live chat, texting and instant message (IM).

Keyword Search Instructions: To start a new search, first **delete** all text and numbers in the keyword search box below and then enter new keyword(s). You can also click "**More Search Filters**" for additional keyword search options.

Please note that this will clear the current search and begin a new, unrelated search.

How to Search Using the Map: To narrow the **current** search to a specific zip code, county, city or service days, use the search filters **located below the map**. Please click the "**Apply Filters**" button below the map to update your search results.

You can also return to the [Nevada 2-1-1 homepage](#) to find more search options.
