

Medication/Pharmacy Resources

Albertsons Companies

<https://www.albertsonscompanies.com/helping-you-through-covid-19.html>

- Albertsons Companies has waived prescription delivery fees on same-day and next-day deliveries, as well as for mail deliveries, until May 1, 2020.
- Asking customers to respect dedicated shopping hours for senior citizens and other at-risk populations
- Creating “Contact Free” delivery procedures so that delivery drivers can sign for our customers when delivering orders

CVS

<https://cvshealth.com/covid-19>

- CVS Pharmacy is waiving charges for home delivery of prescription medications, which will help patients avoid visiting their local CVS Pharmacy for refills or new prescriptions.
- CVS Caremark is working with all PBM clients to waive early refill limits on 30-day prescription maintenance medications.

Walgreens

<https://news.walgreens.com/our-stories/covid-19-faq.htm#pharmacies>

- Walgreens is waiving delivery fees for all eligible prescriptions
- They are working to provide patients with 90 day refills as well as early refill authorizations
- Walgreens is encouraging patients who prefer to pick up their prescriptions in person to use the drive thru where available.

Walmart

<https://www.walmart.com/cp/pharmacy-home-delivery/1042239>

- Walmart is implementing no contact curbside pickup for prescriptions as well as other products. They are also encouraging the use of drive thru where available.
- Walmart has implemented senior only shopping hours.
