

# YOU HAVE THE POWER TO PROTECT YOURSELF AND HELP END THE PANDEMIC.

**Make a plan to get your COVID-19 vaccine.  
Be ready when it's your turn.**

Nevada is prioritizing how the COVID-19 vaccine is distributed to ensure that the people most at risk of serious illness or dying get protected first. Soon it will be your turn to get the vaccine — which requires two separate shots — so it's time to get ready. *Be on the lookout for scams. COVID-19 vaccines are free of charge, so you will never be asked for money or a credit card. And only provide your personal information to the county health department or healthcare providers when you make an appointment.*

## 4 STEPS TO GETTING VACCINATED AGAINST COVID-19

### STEP 1

#### WAIT YOUR TURN

To find out when it's your turn:

- Check your county's plan at [nvcovidfighter.org](https://nvcovidfighter.org).
- Ask your doctor or pharmacist.
- Ask at your local senior center, community center, or food bank.
- Watch local news or check the newspaper.
- Follow Immunize Nevada and Nevada Health Response on social media.

### STEP 2

#### SCHEDULE YOUR APPOINTMENT

- You can get your COVID-19 vaccine at:
  - Some local pharmacies.
  - Some doctor's offices and hospitals.
  - Some community centers.
- To find a vaccine location:
  - Visit [nvcovidfighter.org](https://nvcovidfighter.org).

### STEP 3

#### GET YOUR 1<sup>ST</sup> SHOT

DATE \_\_\_\_\_

TIME \_\_\_\_\_

LOCATION \_\_\_\_\_

- Bring any required documents.
- Wear a mask.
- Your provider will tell you when to return for your 2<sup>nd</sup> shot.
- Sign up for VaxText to get reminders for your 2<sup>nd</sup> shot by texting **ENROLL to 1-833-829-8398**.

### STEP 4

#### RETURN FOR YOUR 2<sup>ND</sup> SHOT

DATE \_\_\_\_\_

TIME \_\_\_\_\_

LOCATION \_\_\_\_\_

- Be sure to get your 2<sup>nd</sup> shot (from the same vaccine maker) to be fully protected.
- Continue to wear a mask, wash hands, and stay 6 feet from others outside your household as the rest of the community gets vaccinated.

**After your shot, you may experience side effects like a sore arm, headache, or fever. This is normal and means your body is learning to fight the virus.**

Thank you for doing your part to protect yourself, your family, and your community. Together, we can end this pandemic. To learn more about the COVID-19 vaccine and find a vaccine provider location, **visit [nvcovidfighter.org](https://nvcovidfighter.org) or call 2-1-1.**
