Nevada 2-1-1 is part of a nationwide network of call centers that provide information and referral (I&R) services to Nevada residents. Available information includes basic human services, physical and mental health resources, employment support services, programs for children, youth and families, support for seniors and persons with disabilities, volunteer opportunities, and support for community crisis and disaster recovery.

*Nevada 2-1-1 is available 24 hours a day, 7 days a week, and information is provided in multiple languages.*

### Benefits of 2-1-1 Services

- It is a useful resource for individuals who need help and don’t know where to find it. The call center and on-line directory provides a consumer with information about local resources and how to access services.
- It is a helpful repository where other service providers can go to find resources needed by their clients.
- 2-1-1 can assist during times of disaster by directing non-emergency calls away from 9-1-1.
- The 2-1-1 system collects important data about emerging needs, trends, and gaps in services.

### Services Provided

People can access 2-1-1 services through a variety of different ways. There is a toll-free number with live Call Specialists 24/7/265. Information is also available Online and via Live Chat and Text. The Nevada 211 and Nevada 211 Youth Apps are now available for download.
