

Nevada's Resource to Ensure People are Connected to the Services they Need

Nevada 211 is part of a nationwide network of call centers that provide information and referral (I&R) services to Nevada residents. Available information includes basic human services, physical and mental health resources, employment support services, programs for children, youth and families, support for seniors and persons with disabilities, volunteer opportunities, and support for community crisis and disaster recovery.

Nevada 211 is available 24 hours a day, 7 days a week, and information is provided in multiple languages.

211 Database

Benefits of 211 Services

The 211 Database Currently Includes:

- ◇ It is a useful resource for individuals who need help and don't know where to find it. The call center, on-line directory, data platform and two apps provide help seekers with information about local resources and how to access services.
- ◇ It is a helpful repository where other service providers can go to find resources needed by their clients.
- ◇ 211 can assist during times of disaster by directing non-emergency calls away from 9-1-1.
- ◇ The 211 system collects important data about emerging needs, trends, and gaps in services.
